Personal Injury Resource Centre sponsored by Murphy Battista LLP

As an additional service to injury victims and their families Murphy Battista LLP sponsors a Personal Injury Resource Centre conveniently located near the G.F. Strong Rehabilitation Centre (GFS). The Resource Centre's mandate is to provide general support to injury victims and their families during the transition to recovery.

The Resource Centre is staffed by former injury victims who have experienced the road to recovery and are well acquainted with the challenges faced by injury victims and their families. Their experiences dealing with the recovery journey and how to manage that journey effectively are an added bonus for injured people seeking to get their lives back.

Personal Injury Resource Centre information and services include:

- Free seminars on a variety of topics given by our lawyers
- Document execution and office services
- Housing searches
- Preparing resumes and job searches
- Help identifying and accessing community resources
