Recipients must be Canadian citizens or landed immigrants, residents of BC and must be attending, or planning to attend, a post-secondary educational institution in BC. Applicants who do not plan to attend facilities in BC must submit an explanatory letter. Under exceptional circumstances, the BCPF Bursary Committee may approve an award to a student in an out of Province or a non-Canadian educational facility.

DEADLINE FOR APPLICATION:

Applicants must complete Section B of this application form in its entirety and submit to the address provided. The deadline for receipt of applications is May 3, 2019. Awards are allocated only once per year for the school year starting in September.

NOTIFICATION & PAYMENT:

Both successful and unsuccessful applicants will be notified in writing of the committee's decision by mid-August. No notification will be sent to those who submit incomplete applications.

A cheque in the full amount of the bursary will be awarded to each successful applicant prior to September 1st or paid directly to the student's university account.

CONDITIONS:

It must be clearly understood that students selected as eligible for these bursaries shall comply with all the conditions and requirements of the program as outlined by the education facility. Students are expected to complete the school year or program of study.

The BCPF Bursary Committee may revise these terms and conditions at any time.

RIGHT OF WITHDRAWAL:

The BCPF Bursary Committee reserves the right to cancel any award before payment has been made or to take recovery action on contribution already made where the candidate has failed to meet the conditions as set out above. Failure to enroll will automatically nullify application of the bursary. Forced or elective resignations from school will terminate eligibility for the award, and recovery of any monies may be instituted.
