## **COMMITTED TO TOTAL CLIENT CARE**

*We are proud to support client recovery*

We understand that taking care of the legal issues in a personal injury claim is only part of helping you get your life back. That is why we are proud to sponsor programs like **Spinal Cord Injury BC's** invaluable **Peer Family Support Program**. This program exists to help SCI survivors (and their families) adjust to their injuries while in hospital. It also provides guidance and peer support as they prepare to meet the challenges of adjusting to life after a serious injury.

*“A desire to improve the well-being of our clients is at the core of everything we do.”*

## **THE PERSONAL INJURY RESOURCE CENTRE (PIRC)**

Murphy Battista also sponsors the PIRC, a free, wheelchair accessible drop-in space conveniently located across the street from G.F. Strong Rehabilitation Centre. The PIRC exists to provide general support to injury victims and their families.

The PIRC is staffed by former injury victims who have experienced the road to recovery. They know that you are going through a learning process and their goal is to help you along the way.
