RWD Tadpole adjustable handcycle from Reactive Adaptations (USA).

JoyStar

Indoor floor handbike for kids under 5.

Adaptive Bikes for Kids

ADULT TRIKES FOR OLDER KIDS AND YOUNG PEOPLE

Foldable Handy Handcycle by Pacific Cycles

Available in electric assist and manual! Small format, high seat handcycle with a crank-mounted shift and brake and folds to fit in a car trunk. May be suitable for some larger kids 12+ years old.

Hase Handbike based on the Kettweisel

Rear wheel drive delta trike, available with front wheel electric assist hub motor. Foldable crank boom, higher seat height and ground clearance for easier transfers. May be sold through local recumbent bike shops that sell Hase bikes.

Bowhead Rogue

Size adjustable delta trike suitable for youth and small adults with Bosch electric assist and rear suspension.

JEDD Handcycle by Prairie Velo

Small adult handcycle with 8 speeds and quick release wheels, similar to the HOC Zipper. Coaster or Disc brakes available.

RioMobility e-Dragonfly 2.0

Lighter and smaller hybrid handcycle wheelchair attachment with electric assist.
